" Thanks for checking in, I did quite well in math 104, a lot helped by all the practice solving logarithm problems which were used in many of the problems, happy holidays to you as well! " - UBC Math 104 student

" Hi! The test went very well for me! My 255 grade was the second best grade I got! 82%. I believe the average was in the mid to low 60's ,Yes :) thank you so much! I truly felt the course all came together in the end,Thank you ! , 253 did not go as well as 255. The test was very long! A lot of friends of mine found it extremely difficult. (17 pages long) and didn't have time to finish. I'm sure it must have been scaled I got 69% and the average for my class was 58%" - UBC Math 255+253 student

" Hello Richard, I received an A in calculus I. Thanks for the resources! They really helped! Without them I would of struggled. Overall, I managed to learn a lot from the supplemental resources you provided . You saved my semester. Your the best! Thanks :) " - Langara Math 1174 student

" Hi Richard, Happy New Year! I hope that you had an enjoyable break as well. I got an A- in Math 256 despite the difficult final, thank you very much for all your help. I hope that you have a great 2016!" - UBC Math 256 student

" Hey happy new year ! I got a B- .. Not a terrible mark I beat the average.. Thanks Reza... If it wasn't for all that Laplace on the second midterm I would have done a little better, but in the end I'm satisfied .. I knew Laplace better for the final and got lucky with noticing some identities and catching mistakes. " - UBC Math 255 student

"I did pretty good, got 70% as my final grade which isn't bad considering I failed my first midterm.,Thanks for all your help! It really helped :) " - UBC Math 200 student

" I passed both 253 and 255 yay! " - UBC Math 253 + 255 student

" Hi Richard, happy new year to you as well! , I did decently well, ended up with a 61 so a couple things were messed up on the final exam.I am also taking math 105 this semester and am wondering if your still good for some future sessions for this semester. All the best. " - UBC Math 184 student

" I passed! 60%. the class average was 61%, Thanks Richard, happy holidays! "- UBC Math 101 student

" I ended up with the average of 66 which is pretty great considering my midterm marks! The final was very challenging so I assume they must have scaled it but either way I'm pleased with the final result "- UBC Math 200 student

" Hi Richard I just wanted to thank you again and let you know how much I appreciate all the help and resources you have given me. Take care ! " - UBC Math 105 student

" Hi Richard! , Perhaps you'll be happy to hear I passed Math 104, haha! A large reason for this was definitely all the practice we did together and all the resources you provided for me, so I just wanted to thank you. That being said, Math 105 is another monster of its own as I'm sure you know, so I'd like to start up our weekly tutorial sessions. Does Tuesday at 5:00 PM work for you? " - UBC Math 104 student

" Hey Richard, I did better than expected , I got a 70% in the class,I visited my prof to see my exam, I got a 63 on the final but it was scaled like 20 points so it turned into 83 , The average of the final was 60 and the final mark of my class 68, Oh and the final was very tough indeed." - UBC Math 200 student

" I got 80% on my first math midterm!! Let's aim for 80% for math this year! I have a flight tonight I'll contact you when I get back. Thank you Richard! " - UBC Math 104 student

" Hey Richard. Good news. I finished with an 86 in Calculus!! , I could not have done it without you. Yes the class average was 63.Thanks Richard. I will contact you if I need some help with statistics this summer. Do you recommend any resources? " - UBC Math 184 student.
